

REMARKS

The sole issue remaining in this application is a requirement for a Supplemental Declaration. A Supplemental Reissue Declaration is enclosed herewith. Section 8 of the Supplemental Reissue Declaration indicates that all errors which are being corrected up to the time of filing this Reissue Declaration arose without any deceptive intention on the part of the applicant. It is believed that this language satisfies the requirements of the Examiner.

In view of the Supplemental Declaration, it is submitted that the rejection should be withdrawn. There being no further outstanding objections or rejections, it is submitted that the application is in condition for allowance. An early action to that effect is courteously solicited.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
